The second day of nationals has gone as well as the first so far. Last night in finals YMCA of the Triangle Area broke the girls 200 medley relay record. It was amazing!!☺ We also did fairly well in trials yesterday. It was really exciting to compete in trials. They are kind of like a meet inside a meet. The beginning of today YOTA was seated first in both boys and girls, which is really cool since they are from North Carolina too.

Our teammate finished 7th in the 100 backstroke, and this amazing 12 year old came in 4th in the girls 100 back. We were soooooo impressed!!!!!!!!!! Today we will swim trials in the 100 fly (Katy) and the 200 breast (Maggee). We both hope to qualify for nationals next year in these events. Today has gone by very slowly, partly because the thousand is today. Maybe tomorrow will go a little faster.

Wish us lots of luck in our events see-ya!!☺
