7th Annual National YMCA Virtual Invitational Swim Meet

“Swim Locally – Compete Nationally”

Between October 17-25, 2015, the local YMCA competitive swimming community will come together in the 7th Annual YMCA Virtual Swim Meet Invitational.

Become part of the excitement! Join the thousands of YMCA swimmers to participate in YMCA's 7th Annual Virtual Invitational Meet.

Teams will swim locally but compete against other YMCA teams and YMCA swimmers from across the county. Teams and swimmers will compete for rankings (and bragging rights) in a number of age group swimming events.

Save the date and be part of the team spirit of National YMCA Competitive Swimming

Date: October 17-25, 2015.

All competition must be held as a single meet. Local meets shall be contested any day starting Saturday, October 17 through and including Sunday, October 25.

Results must be submitted no later than 11:59.00PM Eastern Time, Nov 1.

Sponsored By: YMCA Of USA, the YMCA Swimming & Diving Advisory Committee, and local YMCA swim team programs.

Virtual Meet Director: Tom Warrick (twarrick@comcast.net)

Virtual Officials Chairperson: Ed Miller, Joel Black

Virtual Entry Chairperson: Tom Warrick

Virtual Awards Chairperson: Claudia Multer

YMCA of the USA, National Director of MSPS Events– Jim Weaton
Chairperson, National Advisory Committee – Andrea Youndt

Meet Committee: Tom Warrick, Jim Ryan, Ed Miller, Claudia Multer, John Mendell, Joel Black

Site: www.ymcacompetitiveswim.org or www.ymcaswimminganddiving.org

Purpose: To promote the sport of swimming and to gain recognition for YMCA contribution to swimming

Description: The YMCA Virtual Invitational is nation-wide meet open to all YMCA registered swim teams. All competition must be closed (YMCA teams only) and hosted within their local area or YMCA. The results of local team swimming meets will be consolidated into one Meet with teams awarded on their virtual place scoring.

Meet Certification: Since this competition is a closed inter-association Invitational Meet, **participation will qualify as one of the three closed meets required to compete at the National Championship.** This Virtual Invitational Meet and any local competition as part of this Virtual Invitational Meet are not eligible to receive a YMCA Championship meet sanction. In addition, **if you use a meet for the Virtual meet, you cannot count the meet again as a second closed invitational.** In other word the same meet cannot be counted as a Virtual and also counted as an invitational meet. If you do this, the meet would be counting as two meets which is not permitted

Fees: There is no fee for entering or submitting results for the National YMCA Virtual Invitational.

YMCA Eligibility: According to the Rules That Govern (Rule I, Sec. 12), for the purpose of YMCA competitive sports an association is any YMCA unit that is approved by the National board, has a separate branch or association number and is eligible for a separate listing in the YMCA Directory. This could be a branch or a metropolitan association. A metropolitan association must decide whether to operate one competitive swimming program that represents the association as a whole, or to have each branch within the metropolitan association operate its own team. A YMCA team may only compete under one name and one association number during a given season. Teams may not compete as one combined team for the National YMCA Virtual Invitational Meet and then compete separately during the season.

According to the Rules That Govern, a YMCA association must be in good standing with its state, cluster and region in order to participate in this national event.

Swimmer Eligibility: In order to compete in the National YMCA Virtual Invitational Meet, the competitor must fulfill the following conditions:

1. Is a current, full privilege, annual YMCA member for the last 30 days and including the week of the Virtual Invitational (October 17-25).
2. The swimmer must be an amateur and must not have represented another YMCA or another organization (schools excluded) in open or closed competition since September 1, 2015. High school post-graduate swimmers are ineligible.

Rules: USA-S technical rules must be followed in all local meets.

Pool Requirements: Competition must be run in a 25 yard pool (preferred) or a 25-meter pool with at least 5 feet depth at the block-end.

Running the Invitational at the local level:

Schedule of events: **There is no standard event file for the Virtual meet. Teams can swim any desired schedule of events in a 25 Yard or 25 Meter Pool.** However, only the Virtual Meet age groups and strokes/distances (see below) will qualify for inclusion in the virtual competition. A swimmer's age will be calculated as of Oct 17, 2015 (first day of Virtual competition). Swimmers will automatically be included into their appropriate age group regardless as to the age group of the event they swam. There are no qualifying times for any of the events.

Local Competition: Teams may swim as an intra-squad competition (within their own team) or an inter-team competition (two or more YMCA's). Competition must be a single meet. However, the single meet can span multiple days if it is a large invitational. The single meet must be held within the timeframe of the virtual meet contested period.

Maximum Events: **A swimmer may swim a maximum of 4 events with at least one of the events being a relay** (e.g. two individual event and two relays, two individual events and two relay.) Swimmers who compete in more than a total of 4 age group stroke/distance events must be marked as exhibition beyond the maximum events allowed. If a swimmer competes in more than the allowed number of age group stroke/distance events, the first 4 events they swim will count and the remaining will automatically be marked as exhibition.

YMCA's can swim multiple relays in a relay event as long as an individual swimmer does not exceed the maximum number of events.

Swimmer and Team Setup: Swimmer's birthdates must be included in the meet results or the swimmer will not be included in the Virtual competition ranking. Relay swimmer's names must be included in the results. Relays without relay swimmers will not be accepted. Team address and head coach information must be included in the Meet Manager Team information.

Timing: All events must be electronically timed with at least one backup button or timed by three watches per lane. USA-S timing reconciliation rules must be used. When using Level 1 or Level 2 Timing Systems, any discrepancies must be resolved in accordance with the appropriate USA-S rule. When using Level 2 or Level 3 Timing Systems, there must also be place judges and they shall be used in conformance with appropriate USA-S rules. The modified ballot system must be used in those cases where the place judges do not agree on the order of finish.
