

Competitive Head Coach – Spurlino Family YMCA

Tampa Metropolitan Area YMCA

The Tampa Metropolitan Area YMCA is seeking a Competitive Swim Coach to launch a new chapter of the Association's Stingrays swim club at the Spurlino Family YMCA. Featuring a 30,000-square-foot outdoor aquatics center, Spurlino draws participants from some of Florida's fastest-growing communities. The head coach will benefit from the support and expertise of the Association's established competitive swim program while building a new team at a flagship YMCA in the heart of Southern Hillsborough County.

Join our team and make a splash in the lives of youth and families alike, in and out of the swimming pool.

ESSENTIAL FUNCTIONS AND RESPONSIBILITIES:

- Development, planning and implementation of workouts and training for all assigned sites.
- Supervise or lead practices and/or dry land training, provide guidance to Swim Coaches and Assistant Swim Coaches.
- Evaluate swimmer ability/performance and plan strategies for their improvement.
- Coordinate and execute meet registrations.
- Attend specified competitions, training and/or special events as directed by Director of Competitive & Developmental Swimming
- Develop and implement recruitment and retention strategies for athletes in the programs for all assigned sites.
- Follow all safety recommendations and guidelines per Tampa YMCA policies and USA Swimming.
- Communicate program information effectively and in a timely manner to supervisors, participants and their families.

- Establishes and maintains a team attitude and encourages good sportsmanship for athletes and parents.
- Attend all required staff meetings.
- Other duties as assigned.

Education/ Experience Required:

- Must be at least 18 years of age.
- High School Diploma preferred.
- A Minimum 2+ years of experience coaching swimming and 1+ years of supervision experience.
- Knowledge of USA regulations and safety requirements.

Certifications/Trainings Required:

- Must obtain within 30 days of employment and maintain current certifications in BLS CPR/AED, First Aid, and Oxygen Administration.
- USA Swimming Coaching Certification required.
